Nie gęsi Polskie projektowanie graficzne 1919-1949 Against All Odds Polish Graphic Design Rypson Piotr pobierz PDF English edition of the most anticipated Polish design title in 2011! A panorama of a lost world ?

Polish graphic design in the thirty year period between 1919 and 1949, with achievements that are outstanding for their innovation and radical concept. The story of how visual language evolved in Poland as the country entered the modern age. A portrait of everyday life in that fascinating, though sometimes peculiar country that was the Second Republic, the Poland of World War Two and the first few years following.
